## MAKE SURE YOU'RE COUNTED!

Census data impacts how much federal funding our community receives for important services—including school safety, grant programs, medical assistance, mental health services, children's health services and so much more! You should receive your invitation in the mail and can respond by mail, phone or online at [census.gov](https://www.census.gov). Remember that you count, and our neighborhood does too!

Its that time of year again! Fairfax has once again been chosen to participate in Cleveland Gardenwalk! The Garden Walk is a free, self-guided tour created to share the beauty of Cleveland's many private and community gardens. We are looking for residents who would like to include their garden in the Garden Walk.

# KARAMU

A JOYFUL GATHERING PLACE

For the past 104 years, Karamu House has honored its historic founding and served as a joyful gathering place for the community. In an effort to protect the very community that we serve, due to the coronavirus (COVID-19), we have made the difficult decision to **cancel the remaining shows of our 2019-20 season, including all performances of Hoodoo Love and Next to Normal.** In addition, all classes, workshops and community events are postponed until further notice.

Enterprise Ohio is pleased to announce another round of our scholarship opportunity for African-American students pursuing a degree that will help them in joining or advancing in Cleveland's community development field. Enterprise will award up to two scholarships of up to \$5,000 each for the 2020-2021 school year. The due date is May 29, 2020.
